

## Construction Foreman

We are looking for a working level foreman who is knowledgeable, safety-conscious, and committed to serving the needs of our citizens through the delivery of our road maintenance, rehabilitation and construction programs. This is a regular full-time position, working 40 hours per week. We will require overtime and on-call availability. Our focus is our public.

**We need:** A person with a thorough knowledge of road base construction, who can think critically, is able to construct roads to acceptable engineering standards, is safety-conscious, will monitor the work of our subcontractors, and will provide effective leadership and training to our seasonal staff. Training our seasonal staff requires that you are also knowledgeable in operating construction vehicles and equipment. More than the 'know-how' skills, we place a high standard for people-skills: the ability to train, mentor and coach others.

### Other Requirements:

- Experience in road maintenance/construction asphalt paving/concrete
- Experience as an equipment operator
- Prior supervisory experience
- Class 5 Alberta Drivers' License [Class 3 or Class 1 is an asset]
- Safety certificates
- Physically fit, lift/carry moderate to heavy objects
- Good motor coordination/manual dexterity skills
- Proficient computer literacy skills.
- Great attitude and willingness to adapt to changing priorities
- Good communication and interpersonal skills
- Adaptive, cooperative and self-initiative abilities
- Current First Aid/CPR Certificate.

Rate of pay will be commensurate with certification and experience, starting at \$34.82/hr.

Please submit your resume and tell us why you would be a good fit for us. Email applications are preferred. Only pdf or Word document format are accepted. Deadline is **Noon September 28, 2020.** [hrapplications@clearwatercounty.ca](mailto:hrapplications@clearwatercounty.ca)

*Clearwater County thanks all applicants for their interest; however, only those candidates selected for further consideration will be contacted directly.*
