

Pengelly Family Farm

The proud recipients for Clearwater County for the 2011 year were the Lawrence and Joyce Pengelly family. The Pengellys proudly received their award at the Farm Fair event, at Northlands in Edmonton on November 9, 2011. It was a very special day shared by family and friends. Lawrence and Joyce noted that, "Agriculture has been a long and gratifying lifestyle and we wouldn't have traded our ranching way of life for anything."

A large number of the Pengelly family were in attendance on this special day including Lawrence and Joyce, three of their five sons, Brian, Keith and Kelly; and Lawrence's brother Bob and sister, Margaret. Lawrence and Joyce both came from farming backgrounds and were married in 1957. Their five sons worked alongside them on the family farm where they learned all aspects of the cattle industry. Their rodeo stock business started out as a sideline but over the years has grown to a hugely successful enterprise.
